## PRESS RELEASE

for immediate release

## Alloy Bronze Baulk Rings for classic Ford 2000E Gearbox

For many years now it has been increasingly difficult to find brass baulk rings for the classic Ford 2000E gearbox.

Now, thanks to the Lotus Cortina Spares Centre these baulk rings are back in production and available again from stock.

The rings are being made to the exact original specification and design and use the same material specification. They are available for both early and late versions of the 2000E gearbox.

The Lotus Cortina Spares Centre brass baulk ring sets for the Ford 2000E gearbox retail at **£122.20** including VAT
